IMPORTANT REMINDERS

Matches will be conducted in accordance with the 2018/19 Match Administration Rules (except as noted below) and the GDTA: Conduct of Junior Matches. These documents are available on the GDTA website (gdta.net.au).

Matches shall be commenced at 9:00am (Rule 1.7)

Teams may use up to 6 players in each match (Rule 2.2 & Rule 4)

Balls - The home team is to supply at least four balls. Divisions 1 & 2 are to use new balls, other divisions may use good quality used balls. (Rule 3)

In Division 1 and Division 2, **all sets are tie-break sets** (with a 7-point tie-break at 6 games all). In all other divisions, **all sets are straight six game sets** with the winner being the first player reach 6 games. (Rule 5.2)

The GDTA: Conduct of Junior Matches provides the processes to solve and regulate a range of issues with players and behaviours in matches.

It is important to note that if a problem cannot be resolved by team supervisors, it must be referred to the Venue Supervisor who makes final decisions.

Inclement Weather (Rain)

Once courts are swept (if required) both team managers should test court surface and lines to determine whether it is safe for players. If there is no agreement as to when to resume play, the Venue Supervisor is called to make a decision.

All players must remain at the courts for at least one hour before making a decision to abandon a match and every attempt should be made to get a result.
