

COVID-19 Competition Regulations South Australia

Before attending a tennis venue or playing tennis, you should consider your individual situation noting that the COVID-19 virus can spread very quickly and result in very serious medical complications in some people. Like any activities, there are some inherent risks involved and by participating you are accepting those risks.

Please note that the below competition regulations are to be used in conjunction with the COVID-19 Community Tennis Guidelines for South Australia and must be strictly followed by associations and clubs running or participating in any competition. Tennis SA staff will be conducting spot checks at venues around the state to ensure these regulations are being adhered to as we return to play.
